
What is TEC?

A TEC weekend is an excellent opportunity for a special time in a young person's life. At a TEC you can meet others and experience that you are not alone at that in between time of moving into adult life. During the three day weekend , you can experience being part of a vibrant, loving, and supportive community in which the friendship of Jesus Christ becomes a real possibility that make sense.

TEC is very human. Team members of adults and youth from various walks of life entrust to the participants some of the struggles, joys, and feelings they have experienced in their own lives. TEC provides an occasion to reflect upon one's own ideals, hopes, dreams, and problems; to discover a God that you can believe in... a Christ you can encounter as risen and alive in your midst.
